Mining enterprise in the Northern Torritory world appear to be drifting entirely into Chinese impds judging from the following jeremiad in the Port Darwin Times - We hear on the very got them. patronage. When the subject was discussed best authority that the Grove Hill battery, owned by Mr. W. K. Griffithe, has been leased to hinese for a short term. As things are going now, it is only a matter of a very short time of every battery in the country. They have already nearly absolute control of the mining, and except in one or two cases it is entirely a matter for their consideration whether a battery is fed o not. They have the power to boycoit a machine and so render an owner quite for the lesse or purchase of the plant. Gradual ly, but surely, they are squeezing out the ro maining relies of European settlement at the mines, and with the power which they are fast acquiring is slowly dying all, hope of ever seeing in our time the proper development of the mines of the Northern Territory. We may see inonly be while the ground is being impoverished above water level, and it will not improve th arriving at that stage when for a European obtain work at all it will be necessary for him t

> Dalgoty & Company, Limited, in their circubr dated Newcastle, N.S.W., 1st Fobrary, say -Owing to the intimation given by the Associ ated Coal-Mine Owners that the reduction 'uction under the agreement in the miners wages of fourpence per ton, the men decided b an aggregate vote to decline to allow the reduc tion to take place. Their position in adopting this course was in a degree fostered by the uncortainty as to whether the Non-associated Col. libries would also insist upon the reduction. was only when these latter collieries took up the same position as the associated owners, that the men dividud upon accepting the reduction, and consequently, work has been resumed throughout the whole of the district, including the Wallsond Colliery, whose men were out, as previously advisid, upon a separate dispute altograther. anticipate that the reduction in the selling price will, in a measure, extend our export; and. ing from the orders that are already to hand during the last month, we auticipate the export for 1892 will exceed any previous year. The total exports for 1891, both foreign and intercolonial amounted to 2.244,729 tons, or an increase 816,691 tons as compared with the provious year This increase is very satisfactory, but it must be borne in mind that, it has been considerably augmented from the fact that neveral new collieries have been pushing their trade making consignments to California and with a view of introducing their coal into these markets; the results, in most cases, have not been satisfactory. We do not think the coal trade : this district will be properly regulated until the scheme of a Trust, embodying the whole of the collieries, and which is now receiving the attention of all the owners, is an accomplished fact

Have got the shares? These then askee bim if a " prop r man have taken Culloch's pidgin." Mr. Potts say, "No." Thou I siy. "Suppose you no have proper I no can pay money, no can take doliver."

i communicated with him by letter. Three or takee?" and I say, "Yes, to-day, can do. After that he go away. Mr. Francis admitted the copies of three let. Mr. Polleck-Did you montion Mr. Cox's Foster v. Bates. Witness-No. I only talked so fashion. Didn't you say that you would take up an

pay for the shares when the administrator had What object had you in saying that you would take the shares that day if. there 'was a prope man when you knew, because Mr. Potts had told you, that he hadn't got a proper man?-I said I take them if proper man found that day: Didn't you mean that you would take up the shares as soon as the proper man was appointed?

Is not that what you gave Mr. Potts to understand?-No. I said suppose proper man that day His Lordship-Are you quite sure you said to-day P'- Yes. Mr. Pollock-Didn't Mr. Potts an that Mr. Cox mas to look after the estate ?- No. I no savey

His Lordship-I think that the examination has gone far enough. I cannot undertake write down all this pidgin English. It is no reference to the the sale of fifty shares in the question or two, my lord. (To witness) - Did you Hongkong Rope Manufacturing Company. The Lake these letters that you got to Messrs. Ewens

Did you take the latter of Ootober 9th Mesers. Ewans and Racce?-I send to his Ewens and Record balong my lawyer. Dal you tell them to answer the letter ?- They eav. "No catcheo answer." Then you knew Mr. Cox was waiting for you

answer?-I no savey what belong proper pidgie I ask Ewens and Resco. Mr. Francis -- My lord. I will just add these few words. I will call your attention to the fact that the latters do not support the allegation of an arrangement entered into at the intorriew between the defendant and Mr. Potts. No such agreement is referred to in Mr. Potta's

There was no contract or arrangement. Mt. Pollook then addressed his lordship upor the least points of his case. He said-My lord I submit in this case that the plaintiff is fully entitled to maintain this action and that it is entirely covored by the authority which I have already quoted. That was a case in which goods were sold by an agent

His Lordship-Supposing that the price shares had risen instead of fullen, how could the defendant have got them, if he had wanted them? Where would be have got them from ! Mr. Pollo k-By applying to Mr. Potts. His Lordship-But Mr. Potts seems to hav been acting under instructions from someon Mr. Pollock-His instructions were from Mr

Cox is this case. As your Lordship will see, Mr. Cox had authority by telegram to take ohe of the estate of the late Mr. MoCultoch. His Lordship-Mr. Cox'would not liava been under my local liability to deliver these shares. He was not administrator. Mr. Pollock-I think it can scarcely be con-

tended in this case that this is a contract that coases with death. It is clearly not a contract that ceases with the douth of the deceased It is an ordinary contract for certain things to be carried out, and I submit that this contract, must continue after death, and if we had not tendend the shares on that day we should have been guilty of a breach of contract. His Lordship-Of course if it was binding on

25th supposing that the price had risen ? Whom compelled to do. would you fix the liability upon P Mr. Pollock- t may be that they could not

have brought action on that day. There are many instruces when you cannot bring immediate that the price of the shares had come down, and present office and cannot have sought promotion there is someone to represent that estate. An infant cannot be saed until his friend is named His Lordship-You admit the difficulty then. If the value of the shares had risen he could not have forced anyone to give him possession. Mr. Pollock-He could have anquired of Mr. to wriggle out of it by eaying there was no

His Lordship - It was not a sale of lifty specific. shares -any shares would do, Mr. McCalloch Consulting Committee), M. S. Sassoon, J. B. was under liability to provide the shares, but Coughtrie, Paul Jordan, and C. A. Tomes. there was no sale of actual sosniflo property. Mr. Pollock-It was a liability to provide the have to consider, however, whether there pose Mr. McCulloch had said before he died, "I before you, as ic addition to the losses sustained

His Lordship - Yes. While inspecting them the mindarin was ob- Turner and Co. and administrator of the estate It might have been all-important to get these right to decept the shares on the date that was was off-ring. We have, however, done our utbide it under his coat. Sentence of three months' Culloch died on 30th June, 1891. After the imprisonment was passed on each defendant. I death of Mr. McCulloch, I applied to take out letters of administration. I wrote to the results and he had seen it simply postpones that right until that under existing circumstances she is unable to the money and recoived them? I letters of administration. I wrote to the re-A serious case of assault was heard by Mr. latives of the deceased to send out powers of mide some mistake and he had not received someone is appointed to represent the estate, form successfully against vessels of large onparation, sufficient money or something of that kind, and when that person is appointed the title ofty and proportionately less minning expenses.

Change Someone is appointed to represent the estate, form successfully against vessels of large onparation, sufficient money or something of that kind, and when that person is appointed the title ofty and proportionately less minning expenses.

Change Someone is appointed to represent the estate, form successfully against vessels of large onparation. It would have been made to dispose of the defendant would have been made to dispose of the defendant would have been made to dispose of aither to are on that contract or it has been made to dispose of aither to are on that contract or it has been made to dispose of aither to are on that contract or it has been made to dispose of aither to are on that contract or it has been made to dispose of aither to are on the contract or it has been made to dispose of aither to are on the contract or it has been made to dispose of aither to are on the contract or it has been made to dispose of a contract or it has been made to dispose of a contract or it has been made to dispose of a contract or it has been made to dispose of a contract or it has been made to dispose of a contract or it has been made to dispose of a contract or it has been made to dispose or a contract or it has been made to dispose or a contract or it has been made to dispose or a contract or it has been made to dispose or a contract or it has been made to a contract or it has been opper on November 4th last. The first named the first fortaight of July. On receipt of its way into the estate. Or if Mr. Potts died the contract to be sued upon it. If otherwise I in hopes that the negotiations now pending for complainant has been in hespital since the at the telegram I communicated with the efficial the same thing would happen. On the evidence submit that the case I cite could not have been her sale may be brought to a successful con-

goods and money.

son against whom to lay the suit. It is just be happy to answer any question from sharethe same, as I said before, with an infant, who bolders. cannot be sucd until his next triend has been appointed. So in this case action is only delayed. His Lordship-I thought you were as you are His Lordship-The man objected to pay over the money because he said there was no proper men to pay it to. Mr. Potts. you see, fulled to convince him that he was entitled to receive

> Mr. Pollock-I think that it is clear that he enid he would take the shares when the propeman was appointed. I would submit that the word in to day in the evidence he gave was interpolated afterwards. His Lordship-I am inclined to agree with

Mr. Pollock-The defendant said. "No. I won't take the shares new because there is no proper man, but I will take them when the propor man . His Lordship - There is a refutation of that

Mr. Pollock-The defendant, my lord, gave plearly to be understood at the time that he would take up and pay for the shares. His Lordship-I don't think, Mr. Pollock, can infer from the evidence that there was any definite understanding that he would take up the shares as soon as the administrator was appointed Ar. Potts's evidence was qualified by the words " can do." The defendant said, " Suppose you got proper man to-day, can talkee." Suppose that I think the word "to-day" was inter-polated it-only suggests that he would consider Heanwhile the price of the shares might either go up or down. If your contention is accepted us right the defendant would have been rather hardly used. He ought to have got the shares when they were at \$113.

Mr. Policok-I have siready submitted that your Lordship cannot decide against the plaintiff without overruling the decision in the case of

His Lordship-I should like to know whom the defendant was to pay? Mr. Pollock-Mr. Potts. His Lordship You think that he would be

bound to do sq. Mr. Polleck-Yes, my lord, it is a well-known sustom in this market for brokers to arrange matters. I submit that it is quite clear that the defendant would have been fully justified in settling with Mr. Potts, who was the agent of the deceased. His Lordship-Prima facie the agency would

be revoked by death. Mr. Pollock-The defendant might ave ascertained if Mr. Potts was tendering the haves which Mr. McCulloch had sold to him His Lordship -I put a case to you. broker, say, in the position similar to Mr Potts. Ho tenders shares and receives the money after the death of the principal. Supposing that money never found its way into the estate could not the administrator sae to recover those

shares back from the burchaser? Mr. Pollock-No. my lord, not unless collusion could be proved between the broker and made to fetch the porth side of the island His Lordship-The shares would be lost the estate at any rate. Mr. Pollock-Suppose that A had to give C :

watch but before the contract was concluded . died, and B gave it to C, could the administrator sue C to recover the watch? His Lardship -In that case B stole the water and handed it to a third person. Mr. Pollock-If I offer shares to a man if tantamount to him being in actual possession of

His Lordship-I don't agree with that at a is only proof of readiness and willingness deliver the shares. It is not at all the same thing. It excuses the non-delivery as far as you are concerned, but it is not the same as though they had been delivered and accepted. Mr. Pollock-Could the defendant possibly have been come down upon if he had taken the

chares f . I submit clearly not. He could have said, "This is not done in proper form. . I had no anowledge of an intended wrongful act on the part of Mr. Potts. 1 know that during Mr. McCalloch's life he acted as his broker" His Lordship-You cannot not on behalf of an estate. It is not an ascertained person. Mr. Pollock-He was acting on behalf of the

Mr. Francis-Mr. Potts does not pretend to act as administrator or executor. Mr. Pollock-If no one could come and tak action against the defendant and say, "You ough! not to have taken these shares and paid for them "then it, was surely bis bounden duty to take these shares. The taking of them would be absolutely unobjectionable! If Mr. Potts was sued he could have defended himself. Mr. Potts. however, had authority to act as he when changes are to be expected in the Governdid; he was authorised by Mr. Cox to tender ment service, and if report be correct up less those shares, Mr. Cox had telegraphic instruct than seven new acting appointments are to be tions from home to take possession of the estate made. and there was also the power of attorney sent I wish to call attention to one ramoure out to him by the next-of-kin. No case can be chapge which if true will involve the Governcited in which a contract has come to an end by ment and the taxpayers in a most ridioulous and the death of one party. His Lordship-Eut the defendant has this ad- Assistant Harbour Master, the round man who vantage, that he came on the day appointed and it is said is to be put in the triangular hole

Mr. Pollock-We maintain that Mr. Pollock was a proper person to receive the money. His Lordship-No doubt the defendant saw Mr. Pollock-He, might have handed the money over to the Official Administrator.

power to enforce this contract? Mr. Francis-No. my lord. His Lordship-Evidently the defendant tried

other officed who is going home on leave late shocks how not transpired. The visibilities pordingly plaintiff, after be lad taken out letters the shares to the defendant there was no contrast upon which Mr. Potts was personally man, then the contrast is good and the His Lordship-He could not have forced Mr. ...Mr. Pollock-If it is proved that there was somuch the better, but it may be well that these of administration; wrote neveral times to the person authorised to tender forces of liable. He could not have torond Mr. Con to deteridant is in the brongs I may point. Hongkong Mist Moreb; 1899;

Mr. Hoppius proposed the re-election of Mossrs. Arould and Cox us auditors. Mr. R. SHEWAN seconded Curried. This concluded the meeting.

HONGKONG CORINTHIAN SAILING

CLUB. Last Sunday was one of the best sailing days that the Corinthians have had for some time, there being a good whole sail breeze from the N.E. throughout the day. At 10.45 the follow: ing hosts were storted :-

IRT CLASS. 2ND CLASS. Faiti, Hastings Poriwinkle, Carey

The Tutam was out but got into difficulties st before the start and did not cross the line The owner of the *Pourt* was unfortunately unable to sail his craft in the first class, which is to be regretted as it was a day ou which the old boar would have done yery wall. The courses were -First class, from the S. M. Pier round Cow-e-chau Island, passing to the

north of the minefield buoy of Stoneoutters both out and home, and then round the eastern buoy of the Kowloon Decks and back to the pier (16 miles); second class, from the Pier cound the fairway buoy off Balchers, the minefield buoy, and the Channol Rocks, and back

to the Pier (12 miles). A somewhat strangling start was effected Hiyahand-Elfin being the onlyitwo boats which were brought up to the line in good time, and they might have done better had their skippers watched the clock closer. With the wind abeau. a very fast passage was made to the minefield buoy, which was rounded in the following order: -Miyah, Elfin, and Killen close together, and She, who evidently thought the typhoon season was at hand and had with commendable caution tied down a reef, some way astern. From the buoy it was a dead run to Cow-e-chan and considerable difference of opinion was noticed as to which gybe was the best. Hiyah stuck to the starbourd gy be and at once had her spinnaker out, but Eifin and Kitten sent their booms across and ran their spinnsker out to port, but regretted it shortly, as another gybe had to be and so previous ground was lost. On rounding to there was very little difference between the first two, and Kilten was not fur off, and the boats settled down for a long thresh to windword. Hiyah, Elfin, and She soon came about on to the starboard tack and made for the northshore, where the water was not so lumpy, but the Kitten made a long board to the southward till at last it looked as if she was off to Singapore and had had enough of this hurbour; however, she eventually came about and came in through the Sulphur Channel, and rounded the windfold buoy some twelve minutes estern High, leaving Elfin, whose passion for smooth water had left her almost becamed under. Chung-hue, a long way off. Through the barbour Hivah with a freshening breeze was in

The finish was timed:-Elfin gave up The second class race ended in or the Faiti. The times at the finish were:-

fine form and reached the Kowloon busy about

18 minutes ahead of Kitten.
